

Strolling Wine Tasting

NAME THAT GRAPE

TUESDAY, AUGUST 17 | 7-9PM

Join Andiamo Sommelier, Lisa Ribaud, for one of our most exciting new tasting events! Sample 10 different wine selections in this strolling event. But herein lies the caveat; all wines will be tasted blind = their identity will not be revealed until after you have tasted through the evenings selections. Sommeliers do it all the time, don't they? Join us for some deliciously wicked fun, and if you can "name those grapes" you may take a prize home as well. Light appetizers will be served to pair with the wines. This event will be held on our beautiful *outdoor deck.

*weather permitting; inside if Mother Nature doesn't co-operate.
