## PAIRING WINE WITH JUNK FOOD!

---

WEDNESDAY, AUGUST 18 | 7-9PM

Join Sommelier, Heather Dean, as we taste through 10 lip-smacking wines paired with some of our favorite snack foods. Which wine pairs well with a big bowl of hot, buttered popcorn? What about your favorite Jelly Belly with an adult beverage? We all love potato chips, but what wine matches your favorite bag, and what about beef jerky too? This tasting is all about delicious fun, no doubt!
