

Book Signing & Wine Tasting Event

WOMEN OF THE VINE

THURSDAY, SEPTEMBER 30 | 7-9PM

Join Sommeliers, Heather Dean and Lisa Ribaudo, as we welcome “Women of the Vine” author, Deborah Brenner, in this unique wine, food and book signing event. Brenner’s book is a must read for those that love wine and vine! It’s filled with insight regarding some of the worlds greatest women winemakers, along with a sprinkling of history, tradition, and a tapestry of tales well told. An interesting read to snuggle up with while drinking your favorite glass of wine!

Wine tasting portion features 9 wines that are produced by some of the winemakers highlighted in the book, with light appetizers to match them. In addition, copies of “Women of the Vine” will be available for purchase during the event, and Deborah will be signing them personally!

A grand evening of wine and friendship.
